Section 1 – About St. Thérèse Early Learning Center

1.1 OUR PHILOSOPHY

St. Thérèse Early Learning Center strives to provide quality childcare for children. We believe in providing programs that truly enhance the emotional, social, physical and intellectual growth of young children. We are able to do this through the efforts of our staff who are dedicated to upholding our high standards and who, most importantly, love children.

1.2 OPEN DOOR POLICY

St. Thérèse Early Learning Center maintains an open door policy with all parents of enrolled children. Parents will have immediate access without prior notice to the center.

In situations where there is custody or domestic issues the following will apply:

- ◆ The center must be provided with the most recent certified copy of court order and any amendments to the order, i.e. custody order, restraining order, or a protection order from abuse.
- ◆ The center will follow the orders of the court. Deviations from the court order will only be made if there are written instructions from the custodial parent/s (joint custody will require both parent signatures).
- ◆ If there is not a copy of a court order or a copy has not been provided to the center then both parents will have equal access to their child. By law the center may not deny access to a child by parent without a court order.
- ◆ If there is a verbal or physical conflict the Center will contact the police.

Section 2 – FEES

2.1 Tuition

Fees are based on reserved time and not on actual time that a child spends at the center. There will be no reduction in the basic rate should a child not be in attendance at the center for the contracted time. Parents will also be billed for all days including holiday, sick, emergency closings, teacher training, and vacation days. Current tuition rates are posted on the website, in the back of this handbook as well as at front desk.

2.2 Multiple Child Discounts

St. Thérèse Early Learning Center offers a discount of 10% for families with more than one child enrolling in our school. This applies to full-time, year round enrollment only.

2.3 Late Payment Policy

Weekly tuition is due on Monday of each week. If your tuition is not paid in full on Tuesday, a late fee of \$15 will be added to your child's account. If fees continue to go unpaid that week, your child will be placed on a DO NOT ACCEPT list Friday afternoon.

Monthly tuition is due on the 5th of the month. If your tuition is not paid in full, a late fee of \$25 will be added to your tuition. Every week that the tuition remains unpaid a \$10.00 fee will continue to be applied to your account.

2.4 Registration Fees

A \$50.00 non-refundable registration fee is payable at the time of enrollment and annually. Registration fees are not refundable under any circumstances.

2.5 Supply Fees

A \$30 supply fee is due at time of enrollment and annually.

2.6 Checks and Returned Check Fees

Checks are gladly accepted as long as they are drawn on a local bank and the date on the check is the same date the check is written. Post dated checks will not be accepted.

In the event your check is refused for payment or returned there will be a Non-Sufficient Funds (NSF) fee assessed in the amount of \$40. Once a check is returned for NSF, checks will no longer be accepted as a form of payment at the center. In addition, child care will be suspended until all fees are paid in full.

2.7 Late Pick Up Fees

A late fee of \$5.00 will be assessed for children who are not picked up by closing time of 6:00 P.M. and an additional late fee of \$1.00 per minute. Services can be terminated if this continues to be a problem. If a child is not picked up by 6:30 PM and every attempt to reach an authorized adult has failed, St. Thérèse Early Learning Center will be forced to contact the sheriff's office to report child abandonment.

2.10 Vacation

Children are allowed to take one week vacation each year. Tuition will be charged at 1/2 the normal rate for that week. Written notice is required at least one week prior to the planned vacation.

3.5 Termination/Withdrawal from St. Thérèse Early Learning Center

The center reserves the right to terminate child care services at any time, with or without cause. Child Care services may be terminated for willful destruction of property, if the child poses a threat to the safety and welfare of other children in care, physical or verbal abuse by the parent upon the Center Staff, insufficient funds that are not repaid promptly, refusal to follow center policies.

Any past due balances are due on last day of enrollment. Balances remaining after 30 days will be referred to the center's collection agency.

In the event that a child is absent for two consecutive weeks, without proper notification to the office, the child will be considered withdrawn from the program and the reserved classroom space will be filled. All tuition and any related charges are due and payable during this two-week period. To re-enroll, normal registration/supply fees will apply. The child will then be considered for enrollment upon space availability.

The following steps must be confirmed before opening the center:

- The center must have power and any physical damage must be repaired

It is very important that you make sure that your child's teacher is aware of changes in phone numbers or emergency contact persons. Please keep this information up to date.

5.6 Insurance/Child Accident Procedures

We take all pre-cautions to insure the safety of your child while under our care. However, in the event that a child is hurt at our center, the following procedures will be followed:

For the safety of the children, we do not allow open-toe shoes, flip flops, or sandals either in the classroom or during outdoor activities.

In case of accidents, we request every child keep a change of clothes at the center. Label each item with the child's first and last name and place the items in a sealed bag in the cubby.

5.11 Meals

A morning snack, lunch and afternoon snack are provided for all children. In order to ensure the health and safety of all children, food items, purchased or from home, may not be brought into the classroom to be eaten, with the exception of special classroom events. This will help us prevent children with allergies from being exposed to foods which could be harmful.

5.12 Dietary Restrictions and Allergies

Please discuss any special dietary needs for your child with the director. Modest accommodations will be made for children with food allergies or who require specific menu items for cultural reasons. Children with severe allergies, staff should contact director for further guidance.

5.13 Discipline Rationale

Discipline is the effective management of children's behavior with the goal of self-disciplined children. The management technique to be used in any particular situation will be based upon consideration of the particular situation and the individual child. All staff, volunteers, and parents will use the positive guidance methods listed below:

5.14 Discipline Procedures

1. Plan ahead to prevent behavior problems. Anticipate problems that may occur and provide intervention or directions in advance. (Ex: Limit number of children in centers. Have activities prepared so children do not have to wait.)
2. Establish clear and simple rules that are age-appropriate. Consistent reminders help reinforce limits. Rules should be stated in a positive way. (Ex: If a child is running, say, "Please use your walking feet. Running feet are for outside", instead of "Don't run!")

3. Be a model for the desired behavior. Treat all children with respect and politeness. (Ex: The teacher has a leaky paint container in her hand. She needs to get to the sink. She asks the children who are in line at the sink if she could please use the sink out of turn, rather than simply cutting in front of the children. They agree, and she remembers to thank them.)
4. Help children to learn problem-solving skills. Give them the language they need to communicate feelings and needs to others appropriately. Work with them to come up with solutions to conflicts.
5. Give hugs and caring. The key to discipline is establishing a nurturing relationship with each child. Children need to know they are accepted and loved no matter how they behave.
6. Reinforce positive behavior. Remember to focus on the specific behavior you wish to see repeated. (Ex: “Jessie, you have worked so hard to put all the blocks neatly on the shelf. Fantastic job!”)
7. Overlook small annoyances. Sometimes when a behavior is overlooked, not reinforced by attention, it disappears. Unless the behavior is aggressive and someone is in danger of getting hurt, the teacher/caregiver might be wise to let the children work out the problem on their own.
8. Offer positive alternatives to a negative behavior. If a child’s behavior is unacceptable, suggest alternative choices. (Ex: If a child is throwing blocks, the teacher intervenes by telling the child that blocks are for building. If the child wishes to throw something, he/she can throw a bean bag, or a ball.)
9. Re-direct or divert the child. Substitute an appropriate activity for the unacceptable one. Some behaviors that are inappropriate are temporary, or situation specific. In these cases it is best to alter the environment by redirecting the child to another activity. (Ex: Two children who are good friends have begun to get irritated with each other. Intervene before things get out of hand by engaging them in a new activity.)
10. Help children see behavioral consequences. Since young children are self-centered, it is hard for them to see beyond their own needs. Help them to move from thinking only of themselves, to thinking of others by analyzing the consequences of their actions. Discuss their behavior in a non-judgmental way and encourage them to think about its impact on people, objects and events.
11. Provide renewal time. When a child is too upset to talk or listen, it may be necessary to remove the child from the situation for a period of no more than 2 minutes. The teachers stay with the child to discuss what happened and to help the child regain composure.
12. Implement Behavior Intervention Policy when necessary.

5.15 Discipline Guidelines

1. Time out. There will NOT be any identified space, or chair, reserved for “time out”. Children are not to be isolated indefinitely due to behavior problems. Time out may be used only if stipulated in an individual child’s behavior plan by a licensed mental health consultant.
2. Physical punishment. The use of physical force with children is prohibited. This includes pulling by the arm, grabbing children by the arm/shoulders/neck, hitting, pushing, shoving, etc.
3. Threatening. Children will not be threatened with physical punishment, or with a phone call to parents.
4. Ridiculing or Degrading. There will be no name-calling, belittling, or comparison to other children.

5. Withholding of meals, snacks, or water. Children will not be denied food, water or any other basic need as a means of discipline.
6. Denying a rest. Children will not be denied rest as a means of discipline.

In the event that a child is exhibiting **extreme challenging behavior**, follow the Behavior Intervention Procedures:

- Provide renewal time.
- When a child is too upset to talk or listen, it may be necessary to remove the child from the situation for no more than 2 minutes. The teacher is to stay with the child in the classroom to discuss what happened and help the child regain composure.
- If necessary, the child may be removed from the classroom if two staff is available to remain with the child at all times.
- If the child is unable to regain control within 30 minutes, the parents or authorized persons may be contacted to pick up the child.

5.16 Standards of Conduct

St. Thérèse Early Learning Center has guidelines of acceptable conduct that all parents, volunteers and visitors must abide by while on premises. It is expected that all parties will follow these guidelines and sign this form. We strive to provide a safe learning environment for you and the children. Volunteering in the classroom is strongly encouraged however; the “Standards of Conduct” must be adhered to at all times.

- Respect and promote the unique identity of each child and family. Refrain from stereotyping on basis of gender, race, ethnicity, culture, religion or disability.
- Follow program confidentiality policies concerning information about children, families, and other staff members.
- Supervise children at all times. Children will not be left alone or unsupervised while in the center or under the centers care.
- Use positive methods of child guidance. Any use of corporal punishment, emotional or physical abuse or humiliation is prohibited. Methods of discipline that involve isolation, the use of food as a punishment or reward, time out or the denial of basic needs are prohibited.
- Refrain from the use of any threatening physical contact or verbal abuse towards individuals connected with the program, other parents or volunteers.
- Refrain from smoking on the premises and during all center or parent activities. St. Thérèse Early Learning Center adheres to a "Smoke Free Environment."
- Refrain from illegal activities while on the premises or in attendance at center activities. St. Thérèse Early Learning Center prohibits theft, firearms, alcohol, explosives and illegal substances on the premises and during all center or parent activities.
- Refrain from harassment. Any cause of disharmony of any kind will not be tolerated.

5.17 Visitor Policy

All volunteers and visitors shall check-in at designated area for check in and obtain permission for the visitation and a visitor's pass. Visitation by a non-enrolled child unaccompanied by his/her parent(s) or legal guardian is prohibited unless prior approval has been granted by the Center Director.

Only persons with legal authority to do so shall be allowed to question a child on the property without the consent of the child's parents or legal guardian.

Because staff, children, and parents should at all times feel that the school and work environment is safe and not hostile, all visitors to the property shall comply with all policies while on property and shall conduct themselves in a manner that is not disruptive, threatening or abusive.

- Any parent, volunteer or visitor who is disruptive, threatening or abusive will be asked to relocate to a location in the facility where children are not present and where the matter can be discussed and resolved in a professional manner.
- If the person refuses to relocate or continues to act in an inappropriate manner, the person will be asked to leave the premises. If the person refuses to leave, staff will notify appropriate law enforcement personnel. Should the person subsequently return to the property and again act in a manner that is disruptive, threatening or abusive or if the initial incident is so extreme that the teachers are concerned about the person returning to the facility, the person shall be informed in writing that he/she may be prohibited from returning to property.
- Any person who believes that he/she has wrongfully been asked to not return to the property, must first leave the property as requested, but may subsequently appeal the decision in writing to the Center Director.
- A final decision will be made and the person will be notified in writing that he/she may not return to the property except under expressed conditions.
- Notwithstanding the above, center personnel shall always have the authority to notify appropriate law enforcement personnel should any person or property violate criminal statutes.

This policy shall be posted in a place clearly visible to all.

SECTION 6 – CLASSROOM ACTIVITIES

6.1 Curriculum

Preschool teachers will use the Nemours Learn Every Day for Preschool and Bright Start curriculum to plan specific activities that promote school readiness. The curriculum will be based on helping children to attain positive school readiness outcomes.

Infant/Toddler teachers will use Nemours Learn Every Day for Infant/Toddlers, Foundations for Success and a variety of Infant-Toddler curriculum resource books to plan appropriate activities for children.

Other approved curriculum resource books will be used to supplement the curriculum.

6.2 Field Trips

Beginning at age three, field trips are used to enhance the children's learning opportunity. They are a great way to extend the curriculum and provide children with hands-on experiences. Teachers have specific goals and objectives when planning a field trip. Parents will be provided at least two weeks notice for each upcoming field trip. Each child must have a signed field trip permission slip in order to attend each trip.

6.3 Toys from Home

To prevent special toys from being lost or broken, we ask that toys not be sent to school with your child. On certain days throughout the year, we allow children to bring personal items and/or toys to share during a special part of the day's activities. Your child's teacher will inform you about these "Show-N-Tell" days.

6.4 Screening and Assessment

Screening is a process to determine whether or not a child has any developmental concerns that may require further evaluation and follow-up. Screenings conducted at the center may include vision, hearing, speech/language, nutrition, dental, and overall development. The Ages and Stages Questionnaire will be used at least once per year. Parental consent forms for screening are included in the registration packet.

Parents will be informed in writing of results of screenings. At home activities may be recommended based on the results of the screenings. If further evaluation or services are needed, parents will be referred to the appropriate agencies or to their personal pediatricians. Additional screenings and parent conferences will be utilized as a means of follow-up on screenings that result in referrals to outside agencies.

Children at every age level will be assessed using an on-going child observations and portfolio assessment for the purpose of identifying developmentally appropriate learning outcomes met throughout the year and creating individualized learning goals based on the results of the observations and assessments.

Each child must have a portfolio which includes a sampling of the child's progress. Depending on the age of the child, these samples may include Ages and Stages Questionnaires, literacy and numeracy assessments, artwork, dictation, writing samples, pictures, anecdotal notes, photos, etc. Portfolios for infants and toddlers may also include copies of daily notes, growth charts, and other developmental checklists. Portfolios are to be shared with parents during scheduled parent conferences.

Teaching staff will use a variety of strategies to promote and support children's learning and developmental progress based on the observations, individualization, and ongoing assessment of each child. Information will be gathered from teachers and parents.

Screening Procedure

- Parental consent forms for screening are included in the registration packet. Teachers will obtain a copy of the consent form prior to administering screenings. This copy will be kept in the child's portfolio.
- The Ages and Stages Questionnaire (ASQ) will be used at least once per year for all age groups. Teachers will complete and score the ASQ. Parental input may also be used to complete the ASQ. The scored ASQ will be kept in the child's portfolio.
- Parents will be informed in writing of results of screenings either through a letter sent home by the center director or through written documentation of a parent-teacher conference where results were shared.
- At home activities will be recommended based on the results of the screenings.
- If further evaluation or services are needed, parents will be referred to the appropriate agencies or to their personal pediatricians.
- Additional screenings and parent conferences will be utilized as a means of follow-up on screenings that result in referrals to outside agencies.

Accountability Procedure

- In order to prevent the misidentification of children:
 - Children's first and last name and date of birth will be on each ASQ screening.
 - Documents within the portfolio will also include children's first and last name and date of assessment.
- In order to provide proper follow up for children with concerns:
 - Summary sheets of all children screened will be given to the director.
 - Children in need of follow up will be highlighted on the summary sheets.
 - The director will review the screening tool for each child identified as in need of follow up.
 - The director will re-score the instrument to ensure accuracy of scoring.
 - The director will review the results with the parent and may rescore instrument based on parental input.

Assessment Procedure

- Within 45 days of the start of the school year, teaching staff will do an initial assessment for each child using an approved developmental checklist or assessment instrument.
- Based on parent information, screenings, and initial observations, goals will be made for each child based on their individual needs.
- Teaching staff will conduct teacher-directed small group learning centers daily that will focus on these individualized goals. Progress of goals will be documented.
- The ongoing assessment of each child will be recorded and updated at least twice per academic year. Each time an update is made new goals and plans will be made, based on the children's individual needs. Plans for individualization will be kept with the current lesson plans.
- Portfolios will be maintained for each child. Teachers will gather evidence of children's progress in these individual files. Things to be included in the portfolios may include

literacy and numeracy assessments, artwork, anecdotal notes, writing samples, daily notes, photos, growth charts, etc. These items should be dated and include a statement concerning what objective the child achieved.

- Assessment results will be shared with parents during Parent-Teacher Conferences at least twice during the school year. Optional letters with results may also be shared.
- At the time of a child's transition to the next class, the teacher will pass the portfolio up to the next teacher.
- At the time of a child's transition to kindergarten, the teacher will send the portfolio home.

6.5 Transitioning Children from Class to Class

If it becomes necessary during the year to move a child up to the next class, St. Thérèse Early Learning Center will strive to make as smooth a transition as possible for the child, the parents, and the teachers. Parents will be informed both verbally and in writing. The child will transition slowly over the course of a few days.

6.6 Transitioning from PreK to Kindergarten

In May or June of each year, St. Thérèse Early Learning Center will provide activities to aid in the smooth transition of preschool children to kindergarten. These activities may include one or more of the following: the distribution of kindergarten registration and transition packets, a graduation ceremony, a visit to a nearby Catholic elementary school, and a mini-workshop for parents.
